The Singapore Society of Rheumatology invites you to the 18th Singapore Society of Rheumatology-Malaysian Society of Rheumatology Workshops in Rheumatology 2017. The Main Conference is themed “New Frontiers, Old Diseases”, and will be held from 18 to 20 August 2017 at Conrad Centennial Hotel, Singapore. This year’s conference will reflect advances in the field of rheumatology and new diagnostic and therapeutic modalities in challenging diseases such as scleroderma, inflammatory myositis, rheumatoid arthritis, spondyloarthritis, gout and osteoporosis.

Distinguished international and local faculty have been invited to speak at the conference.

Key Faculty
- Prof. Dinesh Khanna (University of Michigan, USA)
- Prof. Fan Peng Thim (David Geffen School of Medicine, UCLA, USA)
- Prof. Ingrid Lundberg (Karolinska University Hospital, Sweden)

There will also be a one and a half-day Masterclass on Scleroderma and Myositis organised from 17 to 18 August 2017. This masterclass will provide an opportunity for the participants to learn the practical aspects of assessment and management of inflammatory myositis and scleroderma through a combination of cutting-edge lectures and extensive hands-on sessions.
