Aims and Scope
Hong Kong Bulletin on Rheumatic Diseases is a peer-reviewed bi-yearly publication of The Hong Kong Society of Rheumatology. The Bulletin publishes original articles, review articles, case reports, and quiz. All accepted papers become the copyright of the Bulletin and may be subjected to editorial revision so as to conform to the style adopted by the Bulletin.

All opinions expressed are the authors’ and do not necessarily represent the views of The Hong Kong Society of Rheumatology or the publisher. The appearance of advertisements is not a warranty, endorsement or approval of the product or safety. The Society and publisher disclaim responsibility for any injury to persons or property resulting from any ideas or products referred to in the articles or advertisements.
